Hi Fred. Tnx for the card & am glad to reply. I hear you & work on the B.E.N. many times & you always have a good sig. Only once when the 610 went sour. Hope you got it working OK again. I'm working the old DX 100 with ~~only~~ one 6146 at the moment but will get the 2nd one in in a day or so. Hope to work you again & maybe we can get a little chatter in other than the net someday.

73 & Best of luck

Louie
